### St. Patrick's Day/ Global Recycling Day/ Mother's Day UK

**St. Patrick's Day**, or the Feast of Saint Patrick (Irish: Lá Fhéile Pádraig, lit. 'the Day of the Festival of Patrick'), is a cultural and religious celebration held on 17 March, the traditional death date of Saint Patrick (c. 385 – c. 461), the foremost patron saint of Ireland.

**Global Recycling Day**, falls on March 18 each year and aims to promote the vitality of recycling across the globe. It is a day for action, for the world to come together to put the planet first, and to change the mind-set of governments, businesses, communities and individuals around the world, to see recyclables as a resource.

**This year, Mother's Day** falls on Sunday, 19th March. Mother's Day in the UK is often known by its traditional and religious name of Mothering Sunday. Please contact your Katheeb for more details and bookings for this event.
