

Amilla
MALDIVES RESORT AND RESIDENCES
BAA ATOLL

A time of rebirth is near! That's right, Easter is coming up, so I thought it'd be a good time to reflect a little upon the rebirth of Amilla that's taken place over the past two and half years. I'm so proud of our Amilla Islanders for taking on board the new direction; working hard to survive the challenges of the pandemic and bringing our Trip Advisor Maldives position up from 100 (when I joined) to our current position at 25.

We hope you've been able to visit the 'new' Amilla already, but if not, we look forward to welcoming you soon.

Our BIG SMALL LUXURY news

We're thrilled to have been accepted to Small Luxury Hotels of the World (SLH). SLH is a mark of quality and credibility. They bring together family owned, boutique properties that offer guests unique experiences. We expect to be on their website in the next weeks but wanted to share this news with you, hot off the press. To find out more about SLH, including their Considerate Collection of Hotels [click here](#).

Chef Jonny Marsh at Amilla

Michelin-trained Chef, Jonny Marsh, is being welcomed back to Amilla soon. Renowned for cooking for UK royalty and football stars including Luke Shaw and Kevin De Bruyne, with their athletic demands in mind, Chef Jonny joins Amilla from May 15th to 29th. He will cook two special dinners as well as host a masterclass to teach his favourite dishes to our lucky guests. Get ready for dishes

such as butternut squash donuts with black olive tapenade and reef fish terrine with chargrilled leek and lemongrass oil split buttermilk dressing. Making you hungry already?

Springing into Easter

Our Secret Garden theme for Easter has blossomed and our Easter Bunnies are getting ready for the fun ahead. With Tim Sherwood leading our Football Camp from April 13th to 18th, plus guests' favourites, Des and Zoie, onsite to instigate creative shenanigans, we can't wait to begin. The programme includes special events such as World Health Day, World Art Day, World Heritage Day and International Creativity Day. To find out more about Amilla's Secret Garden, check out our full schedule of events [here](#).

We still have just a few villas as well as a residence or two available, so get in touch with your favourite Travel Agent or contact stay@amilla.com and pack your Easter Eggs!

More Ways to Save our Oceans

We are excited to be working together with OceanSaver in the UK and have created an exciting opportunity for our subscribers to win a trip to Amilla.

OceanSaver is a sustainable, plastic-free cleaning brand on a mission to remove single-use plastic from home cleaning to help preserve the ocean for future generations. OceanSaver EcoDrops are an easy-to-use, plastic-free alternative to traditional spray cleaners. You just drop a concentrated EcoDrop refill into an empty spray bottle, fill with water and shake it to create an eco-friendly, ready-to-use cleaning spray.

OceanSaver have partnered with Amilla Maldives to offer you the opportunity to win a once-in-a-lifetime holiday for two worth £10,000, complete with carbon-offset return flights, sea plane transfers, half-board Water Villa accommodation and a Glamping Bubble Experience.

For your chance to win, simply shop at ocean-saver.com and for every £5 spent you will receive one entry into the prize draw*. With the code AMILLA20 you'll receive 20% off your first order, too.
