

Why Amilla

Explore one of the largest Maldives luxury resort islands, nestled in the pristine beauty of Baa Atoll UNESCO Biosphere Reserve. Just a select number of private Pool Beach Villas and Residences grace our island. The majority are over-water villas, scattered like pearls across the azure waves. More than 70% of the island remains a naturally lush paradise, interwoven with verdant walking trails and white sand beaches, unspoiled by construction.

Space to Play

With 23.5 hectares and only 67 villas, more than 40 overwater, Amilla offers spacious villas, space between villas and outdoor Space to Play. We offer a [kids' club](#), [teens' programme](#) and extensive weekly activity programme, [the Baa-lletin](#).

Its Better in Baa

A UNESCO World Biosphere Reserve; Baa Atoll teams with marine life. From July to October, manta rays aggregate at [Hanifaru Bay](#), just 10 minutes by boat. Amilla boasts an extensive house reef, our [snorkelling guide](#) can be found here.

Wellness Your Way

Wellness at Amilla integrates into a Maldives vacation and doesn't take over. All of our seven restaurants offers menus to suit a variety of [eating lifestyles](#). Our [Wellness packages](#) are tailored to work around your holiday.

Naturally Lush

Amilla makes its home on a naturally lush island. It was used for many years as an agricultural island and retains 70% of its natural jungle. We have 2500 coconut trees and use this bounty in our coconut processing facility, The Nut.

Homemade and Homegrown

Our large island allows us to grow herbs, vegetables and fruit right here. We also make many items from scratch with love, including drinks in our Wellness Lab, kombucha being just one, as well as herbal remedies in the Alchemy Bar.

Dine Around - Inclusive

Guests on all meal plans at Amilla can dine in any available restaurant. Our [Dine Around Inclusive \(DAI\)](#) package has many value adds such as in-villa dining once per day, discounts on the spa and activities, selected included beverages, and discounts on all others.

Island of Surprises

We love to make our guests smile. We love to listen to our guests' preferences. Our talented team works to create memories for our guests through special touches as well as providing exactly what they like.

Sustainability

Guests at Amilla are treated to sustainable luxury. From taking care of the endangered bird that nests here to using ocean-bound plastic fabric to make our beach bags or compostable coffee pods and cups, [sustainability](#) is part of our everyday decision-making.

We are Maldivian

As one of the few remaining Maldivian-owned resorts, we're proud to showcase the unique culture and talent that abounds. From our bespoke local island tour to Maldivian cuisine and our [annual Cultural Week](#), guests can truly feel that they are at home in the Maldives.

Free Ice Cream

All day, every day, enjoy delicious Homemade@Amilla ice-cream at Chill'd café. We also offer ice-cream to suit different eating lifestyles - vegan, dairy-free and low carb/keto. Guilt-free every day as well.

Considerate Collection

Glamping

Guests can reconnect with their loved ones in our air-conditioned bubble, located on a secluded piece of beach beside Javvu Spa. As an add-on to their villa, guests can [design an experience](#) that suits their style.
