 DIVE BUTLER

LET YOUR ADVENTURE BEGIN

Nowhere on earth is the sea as captivating as it is here, lapping at the shores of Amilla Maldives Resort and Residences. The breathtaking waters of the Indian Ocean surrounding this pristine island offer endless opportunities to discover and explore a magnificent underwater world that lies beneath the glittering surface. This environment is so rich in marine life that the area was designated a UNESCO World Heritage site in 2011, largely due to the population of majestic Manta Rays that visit Hanifaru during the southwest monsoon (usually between June and October).

Dive Butler Amilla is the epicenter for a wide selection of water-based activities including dazzling Diving, adrenaline fueled Water Sports and manta snorkelling at the world famous Hanifaru Bay enabling you to enjoy the endless shades of blue surrounding Amilla. The Dive Centre comprises a water focused Retail shop alongside GoPro rental, so that you may take your perfect aquatic holiday memories back home with you. Whether you prefer to stay above the waterline or plunge into the deep blue, we offer a range of activities under a collective roof for your convenience.

Whether you are a certified diver wanting to increase your skills, just dive for fun or a complete beginner we can assist you in creating your ideal diving experience.

PERSONALISATION OF ACTIVITIES

All of our experiences, trips and activities can also be tailored on a private basis.

At Dive Butler Amilla, we aim to make the most extraordinary requests a reality - there's truly no limit to the type of experience you can dream up. Let your mind run wild; if it's possible, we're committed to making it happen. Imagine, for instance, you crave a close encounter with the Whale Sharks of South Ari: a private chartered seaplane will be at your disposal and, upon your arrival in South Ari, a crewed speedboat will be on hand to seek out these gentle giants. Or perhaps you'd like to spend the day snorkelling, fishing or sailing into the sunset with a glass of champagne as dolphins play in your wake - it's all possible.

Any of the activities available can be combined to create your own personal experience, completely customised to suit your desires. Whatever you want, however you want, whenever you want: inquire at the Dive Centre to turn your dream into a bespoke experience, and let us assist you with planning and choosing a boat.

VISITING HEROES

We regularly host visiting aquatic and marine “Heroes” that offer specialised courses workshops, discussions and activities in a variety of fields including diving, marine biology, water sports, free diving, photography, sustainability, and conservation. Our heroes are here to enhance your holiday, by creating special once in-a-lifetime experiences and memories that will last for years to come.

HANIFARU BAY MANTA SNORKELLING

The Baa Atoll plays host to an amazing natural phenomena, whereby large concentrations of plankton attract scores of Manta Rays to feed at Hanifaru Bay. This is seasonal and peaks between June and October, when you have the best chance of encountering these gentle giants. This snorkeling excursion is led by our certified tour guides, and is likely to be one of the most memorable experiences you will ever have.

Please note that due to the status of the Marine Protected Area, we are only able to offer this excursion every other day. Please check with the Dive Centre for the current schedule.

HANIFARU BAY MANTA SNORKELLING

This snorkelling excursion is led by our certified Hanifaru Bay tour guides, giving you the chance to snorkel with the gentle giants of the ocean - the majestic manta rays.

When? Every other day in season, varies depending on season, tides and sightings.

How much? \$175++ per person

Personalise this experience: Enjoy this experience on a vessel of your choice, with your own private guide and/or marine biologist onboard. Please note that additional fees apply see boat charter options for more information. ****Your experience at Hanifaru bay is limited to 45 minutes in the water as per local regulations ****

DIVING

The Dive Butler team is delighted to welcome you to our state-of-the-art Dive and Watersports Center at Amilla Maldives Resort and Residences. Here, a combination of the latest technology trends and top end equipment meet to deliver an unforgettable aquatic adventure, all under the watchful eye of our highly qualified underwater experts.

Dive Butler Amilla is a PADI 5-Star Dive Centre that offers a full range of scuba diving courses, from entry level right through to professional certifications. We have a passionate team of handpicked multilingual instructors that have lived and worked all over the world.

Dive Butler specialises in private - semi-private tuition, allowing any pre-dive anxiety to melt away in the hands of our patient, trustworthy instructors. Our instructors are committed to sharing their passion with others and delight in spreading the wonder and excitement of the underwater realm.

For certified divers, our small group philosophy elevates every dive to an extra special experience. We take pride in delivering seamless service and attention to detail in every single dive, and this is what makes the Dive Butler experience so unique.

CHECK-IN

Check-in for all scuba diving related activities may be completed between 08:00 and 17:00 daily.

Our multilingual team is available to assist with any questions that you might have, and is always happy to advise on all relevant procedures for signing up. To assist with check-in for certified divers, we kindly request that you bring your diving certification, logbook and any relevant diving medical with you. If you've forgotten your diving certification, and the qualification is held with either PADI, SSI or NAUI, we will be able to check your credentials online. If your certification is from another organisation, we will either need to see photocopy of the card itself, or alternatively, a scanned copy of your license, or an email from the training organisation's head office confirming your qualification. Please kindly note that we need to receive this confirmation prior to any guided dive activities to ensure your safety.

Our multilingual instructors can teach in the following languages; English, Japanese, German, Dhivehi, French, Italian, Chinese and Russian.

ENTRY LEVEL DIVING COURSES

Our entry-level PADI Scuba Diving courses are available in English, Japanese, German, Dhivehi, French, Italian, Chinese and Russian.

All scuba diving related courses require participants to complete a medical statement, confirming you are fit to dive. If a yes is answered to any of the medical questions, kindly note that a medical certificate stating you are fit to dive is mandatory prior to participating in any scuba diving activities for your safety.

The minimum age for all scuba diving related activities is 8 years old, and divers under 18 must have a parent or guardian sign and complete the relevant forms.

CERTIFIED DIVERS

The Baa Atoll and the UNESCO Biosphere Reserve offer an amazing diversity of fish life and coral formations for certified divers to enjoy. With over 40 dive sites available in the vicinity of Amilla, and another 50 accessible at a further distance on a private boat basis, we have plenty of options enabling you to make the most of your diving experience with us. For a more personalised service, please contact a member of our team for the full range of options available.

PADI ENRICHED AIR DIVER

Enriched Air, also known as “nitrox”, is a form of breathing gas that allows divers to extend bottom time and reduce nitrogen loading. Scuba diving with enriched air nitrox gives you more no decompression time, especially on repetitive scuba dives. You'll learn why diving with air that has higher oxygen and lower nitrogen content gives you more bottom time, along with enriched air equipment considerations.
