## FREQUENTLY ASKED QUESTIONS

### **I am arriving via private jet, is there any airport that my private jet can land directly nearby your resort?**

Yes, your private jet can land at Maafaru Airport in Noonu Atoll, which will take 1 hour & 10 minute speedboat journey from Amilla Fushi.

### **What is the difference between combined and private transfers?**

Combined transfers will require you to wait for a little, while all guests are cleared from Immigration and have been identified prior to commencing your journey onwards. Private transfers are arranged at your own convenience and do not require the waiting period.

### **Is there a public transportation available to the resort?**

The Maldives consists of 1,190 coral islands formed around 26 natural ring-like atolls. The main mode of travel is the sea and unfortunately no such public service is available traveling throughout the island nation given the distance and cost to be incurred.

### **Can I make my own transfer arrangements?**

You can make your own transfer arrangements with a third party vendor, however we will strongly advise against this as the hotel will not guarantee the safety of the journey or the coordinator of the boat. Please ensure that you need to have these checked and confirmed prior to arriving to the resort.

### **How the airport representative locates me?**

Our airport representative will be waiting for your arrival at the Arrival Hall. Due to safety and privacy concern, the placard will only contain the Amilla Fushi logo and not with your name on it.

### **What happens if I do not see your airport representative?**

In the event of you not being able to locate our airport representative, as they might be with other guests, we kindly request you to proceed to our airport booth at number 71. Kindly ask airport personnel for assistance.
